

Career Studies include variable length programs for students. Options amount to the equivalent of one or more semesters of full-time community college work (9-29 credits).

To be admitted to a Career Studies Certificate Program, one must meet the general requirements for admission to the College. Some courses may require prerequisites or demonstrated entry-level proficiency.

Career Studies (221-152-08)

Clinical Research Coordinator

		<i>Lec</i>	<i>Lab</i>	<i>Crse</i>
