ED TO GO CLASSES

Students may count a maximum of 9 credits in one semester or 12 credits overall toward financial aid eligibility. Credits above 12 will not be calculated toward financial aid enrollment level.

Our instructor-facilitated online courses are informative, fun, convenient, and highly interactive. Our instructors are famous for their ability to create warm and supportive communities of learners. It's no wonder that many long-lasting friendships have formed in our lively and intelligent discussion areas.

All courses run for six weeks (with a two-week grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any of these courses entirely from your home or office and at any time of the day or night.

How to Get Started:

1. Visit our Online Instruction Center at www.ed2go.com/mecc
2. Click the Orientation link and follow the instructions to enroll and pay for your course. During orientation, you will learn important information about your course. You will also be provided an opportunity to choose the name and password you will use to access your course.
3. When your course starts, return to our Online Instruction Center and click the Classroom link. To begin your studies, simply log in with the name and password you selected during orientation.

Start Dates: A new section of every course in this catalog will begin on the third Wednesday of every month.

Requirements: All courses require Internet access, e-mail, Netscape Navigator, Microsoft Internet Explorer, or Firefox. Some courses may have additional requirements. Please visit our Online Instruction Center for more information or for more information on how to register with Mountain Empire Community College contact Susan Kennedy (276) 523-7488 or skennedy@me.vccs.edu
